*****

In G.O. No. Ms.911 Development department, dated 11-5-1942 communicated under Home Department Endt.* -- No. 13527-C-1, dated 20-5-1942, Government were pleased to sanction the transfer of the wool Spinning plant from the Government Textile Institute, Madras to Central Jail. Bellary.

2 The Principal, Government Textile Institute, Madras in his letter No. 1127/42, dated 28-5-1942, (Copy enclosed) has stated that the Manager of the wool Section of Central Jail, Bellary should go to Madras to study the working of the different machines before dismantling, mark the various parts and pack them in different cases so that he may be able to erect them at Bellary.

Industries - Government Textile Institute, Madras- Wool spinning Plant - Transfer to the Central Jail, Bellary.

The Wool Spinning Plant installed in the Government Textile Instutite and which is now proposed to be transferred to the Central Jail, Bellary is entirely different in construction to that working in the Central Jail, Bellary. I therefore think it very desirable that the Manager of the Wool Section of the Central Jail, Bellary, should come to Madras to study the working of the different machines before dismantling, mark the various parts and get them packed in different cases separately so that he may be able to erect the various machines, in Bellary Jail. The Inspector General of Prisons may be requested to sanction the necessary expenditure for dismantling, packing, cartage, Railway freight from Madras to Bellary.

In paragraph 3 of his letter No. 244-A2-42 dated the 27th June 1942 the Inspector General of Prisons, Coimbatore has informed the Government that he is requesting the Principal, Government Textile Institute, to incur first the necessary expenditure in the dismantling, packing and transport of the wool spinning plant at the Government Textile Institute and then raise debit to the Jail Department. The Principal, Government Textile Institute, Madras has a permanent advance of Rupees one hundred only and he cannot therefore meet the expenditure. The drawal of the requisite advance from the treasury would require the sanction of Government. The Principal, has also intimated to me that it is not possible to meet the expenditure from the allotment sanctioned for the Institute. I suggest therefore that the Inspector General of Prisons may draw the amount required namely Rs 1100/- and place it at the disposal of the Principal, Government Textile Institute, Madras,
